Would you like to work with green transition and business development in Indonesia?

The Embassy of Denmark in Indonesia is looking to hire a Local Commercial & Investment Advisor within the Energy Sector to join our Embassy per 1 March 2021. The main task will be to drive business development and engage local as well as Danish companies and stakeholders to prioritize the Indonesian and Southeast Asian market.

The position

We are looking for a dynamic, high-performing, self-motivating, creative and sales-driven business advisor that can drive and spark the interest of the Indonesian and Southeast Asian market to Danish businesses within the Energy sector.

You have a strong commercial mind-set and interests in promoting Danish solutions within renewable energy and energy efficiency specifically. You are able to identify, develop and drive larger business concepts and eager to be part of a busy and dedicated team at the Embassy of Denmark in Jakarta and among colleagues in the Southeast Asia region.

We expect you to engage with local stakeholders both private and governmental and to drive the complete sales and execution process in the Indonesian and Southeast Asian market (in collaboration with your regional colleagues) by linking your knowledge of the market opportunities and demands for Danish strongholds and solutions within the green transition.

Qualifications

- Preferably a Master in Science and Industrial Engineering, Business and Investment Administration, Economics, or other commercially relevant education.
- Minimum 5 years' work experience within the Energy Sector in Indonesia and preferable with renewables and green transition. Knowledge of Danish stronghold within green technologies is an advantage, but not a must.
- Working experience from both private companies and governmental institutions an advantage.
- Strong ability to identify business opportunities and develop business concepts.
- Ability to think out of the box and kick-start new ideas and take them to the next level.
- Fluency in English, both written and spoken. Strong analytic skills a preference.
- A great communicator and experienced in building strong and lasting customer relations.
- A team player (and customer oriented).

What we offer:

An international, exciting and dynamic work environment with travel opportunities in Indonesia as well as business promotion travels to Denmark. Collaboration with Danish sector specialists and commercial colleagues at the Danish embassies in Southeast Asia as well as Indonesian stakeholders that together with you will strengthen the understanding of the challenges and investment opportunities within the green transition in emerging economies.

The Embassy is offering one-year contract with possible extension. Your salary will reflect your qualifications, relevant experience and proven work-related results. We would like you to start at March 1 2021 or soon thereafter.

Application and recruitment process:

Please send your application, (cover letter, photo, CV, proof of relevant education, recommendations and 2-3 references with contact details - no other documents required) by e-mail to: Embassy of Denmark, E-mail: jktambvacancy@um.dk- marked 'Commercial & Investment Advisor Green Sector and your name' before Monday 25 January 2021.
